What language would you like to learn today?

You can use linguascope to:

- revisit what has been taught in lessons,
- prepare for vocabulary tests or other assessments,
- practice your home language,
- learn a new language.

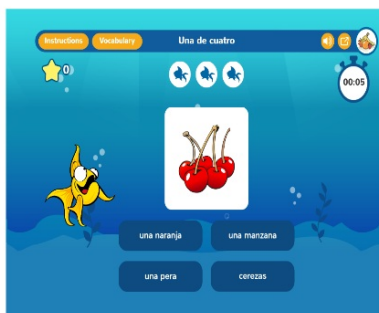

1. Let's choose a language.
2. Let's choose the level of challenge.

2. Let's choose the topic.

2. Let's play.

When and how can I use linguascope?

At school

At home with your grown-ups
