## Weekly Update Letter

Dear Parents and Carers,

What a busy and spectacular week it has been across the Blossom Federation. The Hackney Empire Windrush 75 performance was absolutely brilliant and our children were a great credit to the school and the Blossom Federation. Seeing so many children from across Hackney being able to perform on such a famous stage to a packed audience was extremely moving. The messages were profound and hugely important and beautifully presented. A huge well done to everyone!

The children also got to perform the dances and songs in a whole school assembly – so those pupils who didn't attend or take part got to share the joy!

A reminder to please sign up for our Run Lauriston Run event at the Olympic Park on Sunday 5<sup>th</sup> November. Details were sent yesterday in a letter and should have also been shared by class reps. We hope to see as many of you as possible!

Globally, our attention has been turned to events in Israel and Palestine and the loss of innocent lives. We know there will be members of our parent community directly or indirectly affected by the tragic events and should any family need support I encourage them to contact the school directly. Guidance has been given to staff for how to support pupils and how to discuss the sensitive situation as a class.

As we head into the half-term holidays, our attention turns to Christmas productions. I am pleased to confirm that the school will have the full Christmas performance schedule (same as last year) and we will confirm dates and times with you after half-term.

We hope all our families have a great week and please remember, Monday 30<sup>th</sup> October the school is closed for an INSET day. So, we will welcome all our pupils back on Tuesday 31<sup>st</sup> October.
