Both classes are on the ground floor

These are the teachers.

The teacher's names are

My class will have lunchtime
at 11:45-12:45

When I go back to school I may feel a bit nervous.

Everyone feels nervous on the first day of school, even the teachers!

I might be excited too because I am going to see all my friends again.

I am going to have a fun and exciting year and I will learn a lot of new things.
